- English
- Hindi

ABOUT ME

To secure a challenging position in the field of computer science and engineering that allows me to utilize technical skills and creativity to contribute towards the growth of organization while enhancing my own professional growth.

INTERNSHIPS

DEMY SOFTWARE SOLUTIONS - Intern 05/2023 - 07/2023

- Developed a Cloud Powered Task Organizer website .
- Involved in a team of 4 people worked with the project successfully.
- Technologies used are HTML, CSS, JavaScript, AWS.
- This Task Organizer is a website that we deployed in cloud using AWS S3 buckets.

HMI ENGINEERING SERVICES - Intern 6/2022 - 8/2022

- Developed a sample java web application [Timetable Generation System] HeidiSQL, Netbeans, Tomcat server
- It can be used by schools and colleges to generate timetable. It can reduce more man power to schedule timetable.

DEMY SOFTWARE SOLUTIONS - Intern 05/2023- 08/2023

Mentored students in data structures courses, providing guidance and support throughout their learning journey.

PERSONAL PROJECTS

- **Timetable Generation System**

- Full Stack Development | Java | Net Beans | Heidi SQL

It can be used by schools and colleges to generate timetable. It can reduce more man power to schedule timetable

Role: Front End Developer.

- **Quizen**

- Android app | Android studio | Java

This is an android application used to conduct quiz competitions.

- **Employee Attrition Prediction System**

- Machine Learning | Python | Google Collaboratory | Flask

This prediction system can be utilized by colleges, hospitals, and other organizations to forecast employee departures, thereby mitigating attrition rates and minimizing organizational losses. This proactive approach aims to alleviate the burden on HR, contributing to a reduction in tension within the department.

ACHIEVEMENTS

Winners of Code Mania contest

by Lendi institute of Technology

Student Co ordinator 2022- Present

ACM student chapter in NSRIT college

HACK THE CODE COMMUNITY - Conducted Coding contests in Institution Level

Received Student Excellence Award

for acquiring highest marks in academics of B.Tech

Winner of codeathon Contest

conducted in NSRIT on the occasion of Engineers Day
